

McMaster Residence Student Leader Honour Code

Each student leader has a clear and distinct role in contributing to the residence community. Adherence to the McMaster Residence Student Leader Honour Code is a commitment that all student leaders must meet when they agree to accept the opportunity to serve our residential community. As a member of the McMaster residence student leader community, I am committed to setting the highest possible standard of behaviour and modelling this exemplary behaviour for my fellow residents.

- **I will practise personal and academic integrity.**
- **I will respect the rights and property of others.**
- **I will challenge and address behaviours which threaten the freedom, dignity and respect every individual deserves.**
- **I will strive to learn from differences in people, ideas and opinions.**
- **I will demonstrate concern for others, their feelings, and their need for an environment that supports their academic work and personal development.**
- **I will personally uphold and abide by all expectations outlined in both the Residence Code of Conduct (RCC) and the Student Code of Conduct (SCC).**
- **I will strive to further develop myself as a positive leader while fostering the leadership abilities in others.**
- **I will engage in positive citizenship by actively working towards change to benefit others through care, service, social responsibility & community involvement.**
- **I will inform and refer students to appropriate University resources.**
- **I will strive to be an active role-model and mentor for the ideals embodied in this code - in residence, on-campus and online.**

My signature indicates my understanding of and commitment to upholding the McMaster Residence Student Leader Honour Code. Failing to honour my agreement to adhere to the terms of the Honour Code will result in a review of my status as a Student Leader in Residence by my supervising body

Residence Student Leader
