PREAMBLE

Life in residence is governed by three key documents. The Residence Agreement/Contract outlines fundamental contractual obligations between the student and Housing and Conference Services. The on-line Residence Handbook further describes policies, procedures and community standards, including the Code of Student Rights and Responsibilities (CSRR), which clearly outlines the behavioural expectations of all residence students and possible outcomes.

It is assumed that the primary objective of all residents is the successful pursuit of academic studies. Residence life also creates the potential for many social and cultural benefits. Residents are jointly responsible for helping to make the residence community a comfortable, safe, and secure living environment conducive to achieving the key McMaster University objective: excellence in learning and discovery.

Students are expected to understand and appreciate that certain fundamental expectations and regulations are necessary in any community and that ultimately discipline should come from within each person. The McMaster residence system believes and is founded on the principle that integral to the code of behaviour is an appreciation of the effect of one’s personal behaviour on others and respect for their personal and property rights. McMaster appeals to each student's sense of reason and responsibility and promotes the ideal that responsibilities are to be shared by all residents in order to maintain a high standard of cooperative living, tolerance, mutual respect and compromise.

By choosing to join the McMaster residence community, each member accepts and agrees to live by a code of behaviour, which values and promotes civility, inclusivity, good citizenship and productive behaviour.

ADMINISTRATIVE POLICIES AND PROCEDURES

1. The Residence Agreement/Contract becomes effective upon receipt by the University of the Student’s Residence Application. The submission of the online application and acceptance of the accompanying terms and conditions shall be evidence that all of the terms and conditions of the Residence Agreement/Contract are fully understood and that the student agrees to be bound by the Residence Agreement/Contract and Code of Student Rights and Responsibilities as a condition of applying to reside at McMaster University.

Qualifying for Residence

2. a) Undergraduate students taking courses equivalent of at least eighteen units, (nine units in the fall term between September to December, and nine units in the winter term between January to April), or enrolled in a full-time Co-op/outgoing Exchange program, receive first priority for residence accommodation.

Residence accommodation is conditional upon registering and remaining in at least eighteen units divided equally into nine units in the fall term (September to December) and nine units in the winter term (January to April). Students who are admitted in the winter term (January to April) must be enrolled and remain in a minimum of nine units.

b) To allow more first year students the opportunity to spend their first year on campus, 85% of all spaces in McMaster University’s residence buildings will be reserved for first year students entering directly from high school and 15% of all spaces will be allocated on the basis of merit and lottery to returning residents, Residence Life Staff, Inter-Residence Council members, off-campus undergraduate students, and other merit students, as determined by Residence Admissions, if space permits.

c) Residence Admissions will consider the following non-traditional students eligible for residence:
   1) undergraduate students who will register at McMaster and are requesting accommodation before their term of study commences;
   2) undergraduate students enrolled full-time at another post-secondary institution who choose to do their work placement in a McMaster University faculty or department;
   3) students who are registered in a second Bachelor’s degree at McMaster University, and who have lived in residence for a full four years during the completion of their first degree.

Admission will be granted to non-traditional students in the order of priority listed above, and only after all Undergraduate students enrolled in at least eighteen units have been accommodated. Each case will be reviewed individually and admission will be granted at the discretion of Residence Admissions.
d) All students are responsible for notifying Residence Admissions within 24 hours of any change in their student status that may affect their eligibility for residence as outlined above.

e) Students wishing to live in residence beginning in the winter term, (January 2017) can apply starting October 3, 2016. All applicants must complete the online application process by October 28, 2016. Spaces are limited and will be allocated by random lottery. Spaces are assigned based on the 85%/15% policy outlined in 2b.

Co-op/Exchange Students

3. Co-op/Exchange students are eligible to apply for residence accommodation in the same manner as undergraduate students enrolled in at least eighteen units as outlined in section 2. Exchange students are defined as either an Incoming Exchange student being admitted from another University, or a current Upper Year/Returning student enrolled in an outgoing Exchange program. Co-op/Exchange Students in such a program must be enrolled in nine units during the term in which they live on campus.

a) Fall Term (September to December): Co-op/Exchange students who live in residence for the first academic term only (September to December) will be charged an additional $300 as an administrative fee for filling the second term vacancy.
   i) It is the responsibility of the student to notify Residence Admissions of their enrollment in a Co-op/outgoing Exchange program. This notification must be in writing with supporting documentation from the Faculty and must be received in the Residence Admissions Office by 4:00 p.m. EST on November 1, 2016, otherwise the full eight-month occupancy residence fees will be charged to the student’s account.
   ii) Students that applied for fall term only (September to December), decline their offer to a Co-op/outgoing Exchange program, and wish to be considered to remain in residence for the winter term (January to April), must notify Residence Admissions of their change in status. This notification must be in writing with supporting documentation to verify enrollment in a course load of at least nine units in the winter term by 4:00 p.m. EST on October 1, 2016, otherwise the student will be required to vacate residence by 12 noon on their move-out date in December. If approved to remain in residence in the winter term, the remaining full year residence fees will be charged to the student’s account.
   iii) All documents submitted after the deadline will be subject to a $50 late documents fee as outlined in section 17.

b) Winter Term (January to April): Co-op/Exchange students who live in residence for the second academic term only (January to April) will be charged the residence fee for four-month occupancy which is one half of the fee for eight-month occupancy.

Academic Requirements

4. a) If a student is not able to maintain a course load of at least eighteen units, as defined in section 2, the student will be required to withdraw from residence and to meet the financial responsibilities, as outlined in section 16. A student who cannot maintain a course load of at least eighteen units for medical, or compassionate reasons must submit a written appeal with supporting documents to Residence Admissions to be considered for permission to remain in residence.

b) If a student withdraws from all of his/her academic courses, he/she is required to contact the Residence Admissions Office immediately or within 24 hours as of the date the student withdraws from courses. Under normal circumstances, the student will be required to vacate residence within 24 hours.

5. Current residents wishing to return to residence must apply each year, with acceptance determined by merit, academic, and/or lottery considerations. In addition, and without limitation, residence acceptance may be denied as a result of any previous breach of the Residence Agreement/Contract and/or Code of Student Rights and Responsibilities. Returning students who are successful in the residence lottery are required to maintain a fall/winter average of 5.0(C) in at least eighteen units in the most recent academic year in order to remain on the guaranteed list for residence. All other students will be placed on a waiting list and offered residence as bed spaces become available. A student who cannot meet this minimum academic average for medical, or compassionate reasons must submit a written appeal with supporting documents to Residence Admissions to be considered for acceptance to residence.

Contract Dates

6. Residence fees include accommodation from, Monday, August 29, 2016, to 12 noon on the day following the student’s final first term exam in December 2016 or to 12 noon on closing day December 23, 2016, whichever is earlier; and from Monday, January 2, 2017 at 3:00 p.m. to 3:00 p.m. on the day following the student’s final exam in April 2017, or to 3:00 p.m. on closing day April 28, 2017, whichever is earlier. In order to facilitate the large number of students, move-in times will be staggered and some students will be allowed to move in before Monday, August 29, 2016. All students will be notified by email in advance of their move-in date/time.

7. All residences are closed to all students, without exception, during the holiday break (12 noon December 23, 2016 to 3:00 p.m. January 2, 2017). All food, Service Centre, student life, custodial and maintenance services are suspended during this period. Should an option be created to allow students to stay in residence over the December Break, for an additional fee, students will be notified and given the option to submit a request to Housing and Conference Services.

### Application Deadline and Deposit

8. a) All students applying to residence must submit an online residence application using the McMaster University Residence Portal (https://residence.mcmaster.ca/) and will be required to make a $600 deposit in order to secure their offer of a guaranteed residence space. The deadline for the residence deposits to be received is March 1, 2016 at 4:00 p.m. EST for upper year/returning students, and June 1, 2016 at 4:00 p.m. EST for guaranteed first year students. All deposits for residence will be credited towards the full residence fee.

First year students applying to the waiting list are not required to make this deposit until they are requested to do so by Residence Admissions.

Applications and/or deposits received after the deadline, or applications that are deficient in any way, shall be placed at the bottom of the (then) existing waiting list.

b) The student agrees to pay the balance of his/her residence fees according to the terms set out by the Student Accounts Office (http://www.mcmaster.ca/bms/student/index.htm), subject to withdrawal from residence. All personal and residence fee accounts with the University must be settled promptly and if unpaid, will result in the student being blocked from grade reports and/or further enrollment according to terms set out by the Student Accounts Office (http://www.mcmaster.ca/bms/student/SAC_dates_deadlines.html).

c) Applicants who pay the deposit but never receive an offer of residence, or who request to be removed from the waiting list by August 27, 2016, will receive a full refund of their $600 deposit.

### Room Assignments & Room Changes

9. a) Room assignments are made by Housing and Conference Services. Students are not guaranteed their choice of residence, room or roommate. Residence Admissions may consult with appropriate Residence Life staff to assign rooms and roommates in each building. Students are prohibited from subletting or delegating a person for the use or occupancy of their residence rooms and are not permitted to make unauthorized room or roommate changes. Incoming fall students are advised of their residence/room assignment in July. Room assignments are final; requests for room changes are not considered before August 30, 2016.

b) As of August 30, 2016, room change requests are at the discretion of Housing and Conference Services staff (i.e., Residence Manager) and are only considered, with the exception of the examination period:

i) after all appropriate efforts have been exhausted (i.e., roommate mediation),

ii) in priority of necessity and/or circumstance,

iii) based on availability of specific room types.
c) Documentation will be required for a room change request based on special accommodation.

d) If a room change is requested and approved, the student will be subject to an administrative fee of $75 per room change to cover costs associated with the room change process. Additionally, the student is held financially responsible for the pro-rated difference in cost of room types (if applicable) based on the date the new room is available. The administrative fee and pro-rated difference in cost of room type will be charged or credited to the student’s account.

e) Room changes, as a result of conduct issues will be subject to the terms set out in the Code of Student Rights and Responsibilities and subject to the administrative fee and pro-rated difference in cost of room types (if applicable). The administrative fee and pro-rated difference in cost of room type will be charged or credited to the student’s account.

f) In circumstances where Housing and Conference Services staff deem a room change necessary for the safety, security and/or the well-being of the student and/or community, the administrative fee will be waived at the discretion of Housing and Conference Services.

Meal Plan

10. Students living in all residences are required to purchase a meal as per Hospitality Services (http://hospitality.mcmaster.ca/mealplan/residence/policy.html). Students will select a meal plan choice and agree to the McMaster University Residence Meal Plan Policy (http://hospitality.mcmaster.ca/mealplan/residence/policy.html) as part of the online residence application process. It is the student’s responsibility to inquire with Hospitality Services about any meal plan related matters and to notify the Hospitality Services Mac Express Office of any change to their residence status (i.e., withdrawal, approved room change) that may affect their meal plan. For more information contact the Mac Express Office at express@mcmaster.ca, or (905) 525-9140 ext.27448, or visit Hospitality Services website (http://hospitality.mcmaster.ca/mealplan/students.html.)

Authorized Access

11. Housing and Conference Services subscribes to the principle that residence students are entitled to enjoy a reasonable right to privacy in residence rooms. However, it reserves the right to have authorized staff enter rooms, apartments, and suites under the following conditions: to provide repair service or room maintenance inspections; to conduct periodic health and safety checks of room conditions; to conduct weekly or monthly fire inspection tests in apartments/suites; when there is reasonable cause to believe an emergency situation has arisen that requires entry; when a student vacates a room for a break period (e.g. December break); when there is reasonable cause to believe that university regulations are, and/or the law is being violated. Authorized staff is supplied with identification badges that are visible at all times.

Emergency Contact

12. Where behaviour, personal security or health issues are of serious concern, Housing and Conference Services reserves the right to notify the “emergency contact” name listed on the student’s residence application. In these circumstances and when the student is under 18 years of age, the parent or guardian will be notified rather than the “emergency contact.”

Termination of Contract/Relocation and Filling Vacancies

13. Housing and Conference Services reserves the right to terminate residence contracts, reassign students to another residence building and/or room on a temporary or permanent basis, and to effect other steps as may be required for the safety, security and/or the well-being of the residents and the residence community.

14. Housing and Conference Services has a responsibility to reduce losses in revenue by filling vacancies which may occur throughout the year. Students in residence must be prepared to welcome a new roommate in the event that a vacancy occurs. Students remaining in the room are expected to remain in the space allocated to them and leave the vacated space readily available for incoming new roommate(s). Similarly, if vacancies remain unfilled, Housing and Conference Services may need to consolidate rooms. Housing and Conference Services may effect consolidation when necessary by requiring a student to accept a new roommate or move to a new room. In some circumstances, and at the discretion of Housing and Conference Services, a student may be permitted to remain in their room for an additional fee. Advance notification will be given to those students affected.

Application Cancellation Deadlines and Refunds

15. Any student who submits a complete and accurate residence application, pays the deposit, and whose name is on the guaranteed residence list, is defined as being “in residence.” If this student in residence wishes to cancel their application, before their scheduled move-in date, they must notify the Residence Admissions Office by completing the “Cancellation Step” on the online residence application, otherwise the withdrawal policy will apply as outlined in section 16. The student will forfeit all or part of the residence deposit depending on the date the “Cancellation Step” is completed on the online residence application. A forfeited residence deposit may not be applied to other outstanding university accounts or transferred to the residence account of another student.

Questions may be directed to Residence Admissions at (905) 525-9140, ext. 24342.
Withdrawing from Residence

16. Students living in residence who plan to withdraw from residence for any reason whatsoever during the academic year must complete the Residence Withdrawal paperwork with the Residence Admissions Office in Commons 101, check out at their Service Centre, and return their residence keys/access card. Failure to do so will result in the student being charged as outlined in section 25. The date of withdrawal will be the date the Residence Withdrawal paperwork is completed and the residence keys/access card is returned, whichever is later.

The student is financially responsible for his/her full year’s fee and is placed on a refund waiting list in order of date of withdrawal. When a new student is admitted to residence, a refund is processed for the first student on the refund waiting list. This is not dependent upon filling the vacated room, rather it is based on filling the vacancy in the residence system created by the withdrawal. Eligible refunds of residence fees are calculated on a pro-rated daily basis, and are credited to the student’s university account, less a $300 administration fee. If the student has no outstanding university accounts, the residence refund will be issued to the student.

A student who withdraws from residence due to exceptional circumstances beyond his/her control may submit a written appeal with supporting documentation to Housing and Conference Services in the Commons Building, Room 101. The deadline to submit an appeal for consideration is within fifteen days as of the date the Residence Withdrawal paperwork is provided by the Residence Admissions Office. If the appeal is successful, the student will receive a pro-rated refund of his/her residence fees as of the date of withdrawal. The date of withdrawal is the date the Residence Withdrawal paperwork is completed and the residence key/access card is returned, whichever is later. This student remains responsible for the administrative fee.

Late Documents

17. Housing & Conference Services requires students to submit documentation related to the application and allocation process and matters related to living in residence by specific deadlines outlined by Housing and Conference Services. Deadlines are in place to ensure adequate time for review, assessment and execution of business processes. These documents include, but are not limited to requests for: special accommodation, early/late arrival, move-out extension, co-op/exchange documentation, appeals for academic standing (below 5.0) and pro-rated residence fees. All documents submitted after the specified deadline will be subject to a $50 late documents fee.

RESIDENCE STUDENT RESPONSIBILITIES

18. Each residence fee includes Internet access (RezNet-Wifi). Each student is responsible for the use of the Internet and is prohibited from using, or permitting them to be used for a purpose or in a manner that is contrary to the law, University policy, or could be considered harmful or disruptive under the Code of Student Rights and Responsibilities. Abuse of the RezNet-Wifi system may result in termination of the data service and may result in judicial or criminal charges being laid against the student. Refer to the RezNet-Wifi Usage policy (mcmaster.ca/uts/maconline/reznet.html) and the McMaster Code of Conduct for Computer and Network Users (mcmaster.ca/uts/policy/index.html).

19. Students are not permitted to engage in any commercial activity in residence rooms or common areas or participate in and/or running an illegal gaming or gambling operation as outlined in the Code of Student Rights and Responsibilities.

Insurance

20. The University will not be liable, directly or indirectly, for loss or theft of personal property, including food, or for damage or destruction of such property by fire, water or other causes (e.g. loss of utilities). The student shall carry appropriate and adequate liability insurance coverage for fire, injury, or damaged caused by the student, property damage and personal/public liability over the duration of their residence agreement and any renewals or extensions thereof, at their own expense, and such policies shall be written on a comprehensive basis. Students must also take positive steps to ensure their safety by locking room doors and ensuring that only authorized persons enter their building.
Pets

21. Residents are prohibited from having pets or animals of any kind in residence buildings. Special permission for approved service animals will be granted by Housing and Conference Services staff as defined by McMaster University policy (http://www.workingatmcmaster.ca/med/document/RMM-409-Domestic-Animals-in-the-Workplace-Program-1-36.pdf).

Damages/Charges

22. All rooms or apartments/suites are inspected prior to the students’ arrival for damage and the completed room inspection information is kept electronically on file. Students must report missing items or items in need of repair immediately through the online work order, accessed through the Residence Portal (https://residence.mcmaster.ca); corrective action will then be initiated. Students are financially responsible for any damage or losses to their room and/or its contents. Students will be charged for losses, damage, cleaning and/or repairs required during or at the end of their residence contract. Students assigned to apartments/suites are jointly responsible with the other occupant(s) of the apartment/suite, for damage or losses to the shared areas of the apartment/suite. All charges for damages to common areas in residence (e.g. laundry rooms, elevators, etc.) will be split equally among the occupants of the building or floor, provided that such damage cannot be traced to those directly responsible.

23. Students are responsible for cleaning and maintaining an orderly state in their own room/apartment/suite during the academic year and for ensuring their room/apartment/suite is clean, free of all refuse, and kept in a hygienic and safe state. Rooms will be inspected and at the determination of Housing and Conference Services students will be invoiced for all cleaning and/or repairs required during or at the end of their contract.

24. Students are required to remove all of their belongings; property left in or around residence longer than 48 hours after the student has vacated is considered to be abandoned and will be removed at a minimum cost of $25 to the student. Housing and Conference Services does not accept responsibility for the storage or safekeeping of any property abandoned in residence.

25. Students are required to vacate their residence room and return all residence keys/access cards no later than 3:00 p.m. on the day following their final exam in April, or by 3:00 p.m. on closing day April 28, 2017, whichever is earlier. Residence keys/access cards cannot be transferred, loaned or duplicated. Students who lose or do not return their residence keys/access cards at the end of their residence contract will be charged $160 for the required lock changes and $25 for each replacement key/access card.

Communal Living Responsibilities

Students living in residence are part of a unique and interconnected community on campus. As such, the following is intended to articulate the contextual expectations of residents (and their guests), which align with the Guiding Principles and the Code of Student Rights and Responsibilities. Housing and Conference Services reserves the right to take any/all necessary and appropriate action to protect the safety and welfare of the residence community.

1. Every student living in residence is responsible for observing the terms and conditions of the on-line Residence Handbook and the Code of Student Rights and Responsibilities (CSRR) which outline community standards and behavioural expectations for residents, and the types of outcomes levied when these expectations are breached. No resident student is exempt from the terms and conditions of the CSRR for any reason.

2. Guests of residents are responsible for observing the terms and conditions of the on-line Residence Handbook and the CSRR. Students living in residence are accountable for the behaviour of their guests and will be sanctioned if guests breach these standards.

The University reserves the right to determine what constitutes unsafe or unhygienic practices. These include but are not limited to: tampering with fixtures, building systems (including the wiring and fire prevention controls), fabricating or building structures, or impeding any means of egress from the building. Students may refer to the Code of Student Rights and Responsibilities on-line at http://www.mcmaster.ca/policy/Students-AcademicStudies/Code_of_Student_Rights_and_Responsibilities.pdf.

The submission of an online Residence Application indicates the student has read and understood the conditions of the Residence Agreement/Contract and its related documents as a condition of applying to and, if accepted, living in residence at McMaster University. The student agrees that the terms and conditions of the Residence Agreement/Contract, on-line Residence Handbook and the Code of Student Rights and Responsibilities are effective and binding legal obligations that are enforceable.
